

## 40th International and 20th European Thermoelectric Conference ICT/ECT 2024 in Krakow, Poland

### Oral presentation on Thermoelectric Properties of Powder-Aerosol Deposited Textured Calcium Cobaltite Films

Dr. Schönauer-Kamin presented the latest results on the Thermoelectric Properties of Powder-Aerosol Deposited Textured Calcium Cobaltite Films at the 40<sup>th</sup> International and 20<sup>th</sup> European Thermoelectric Conference in Krakow, Poland (June 30-July 4, 2024).

D. Schönauer-Kamin, R. Stephan, D. Paulus, R. Moos:  
Thermoelectric and Morphological Properties of Powder-Aerosol Deposited Textured Calcium Cobaltite  $\text{Ca}_3\text{Co}_4\text{O}_9$  Films,  
40th International and 20th European Thermoelectric Conference,  
Krakow, Poland, June 30-July 4, 2024.
